PROXY STATEMENT  
SPECIAL MEETING OF STOCKHOLDERS  
[INSERT DATE], 2007  
-----

This proxy statement is furnished to stockholders of SIGA Technologies, Inc. ("SIGA") in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of SIGA (the "Board of Directors") for use in voting at the Special Meeting of Stockholders (the "Special Meeting") to be held at the offices of Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, 29th Floor, New York, New York 10036, on [DAY], [INSERT DATE], 2007, at 10:30 a.m., and at any adjournment or postponement thereof.

This proxy statement, and the accompanying form of proxy, are first being mailed to stockholders on or about [INSERT DATE], 2007.

VOTING RIGHTS AND SOLICITATION OF PROXIES

Purpose of the Special Meeting

The specific proposal to be considered and acted upon at the Special Meeting is summarized in the accompanying Notice of Special Meeting of Stockholders. The proposal is described in more detail in this proxy statement.

Record Date and Outstanding Shares

The Board of Directors has fixed the close of business on [INSERT DATE], 2007 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Special Meeting. Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Special Meeting or any and all adjournments or postponements thereof. As of the Record Date, SIGA had issued and outstanding [INSERT] shares of common stock, par value \$.0001 per share ("Common Stock").

Voting at the Special Meeting

Each share of Common Stock outstanding on the Record Date will be entitled to one vote on the matter submitted to a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Special Meeting is necessary to constitute a quorum. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

For the amendment of the certificate of incorporation to increase authorized common stock by 50,000,000 shares to 100,000,000 shares of common stock, the affirmative vote of a majority of the total votes entitled to be cast by the stockholders on such proposal in person or by proxy at the Special Meeting is required. Abstentions and broker "non-votes" for such proposal are not considered to have been voted on the proposal.

## Revocability and Voting of Proxies

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Special Meeting or at the Special Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by any of the following methods:

- o by writing a letter delivered to Thomas N. Konatich, Secretary of SIGA, stating that the proxy is revoked;
- o by submitting another proxy with a later date; or
- o by attending the Special Meeting and voting in person.

Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Special Meeting, the stockholder must bring to the Special Meeting a letter from the broker, bank or other nominee confirming that stockholder's beneficial ownership of the shares.

Unless we receive specific instructions to the contrary or unless such proxy is revoked, shares represented by each properly executed proxy will be voted: (i) FOR the amendment of the certificate of incorporation to increase authorized common stock by 50,000,000 shares to 100,000,000 shares of common stock; and (ii) with respect to any other matters that may properly come before the Special Meeting, at the discretion of the proxy holders. SIGA does not presently anticipate that any other business will be presented for action at the Special Meeting.

## Solicitation

SIGA will pay the costs relating to this proxy statement, the proxy card and the Special Meeting. SIGA may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and regular employees may also solicit proxies by telephone, facsimile or other means or in person. They will not receive any additional payments for the solicitation.

PROPOSAL NO. 1

APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE  
AUTHORIZED CAPITAL STOCK

The Certificate of Incorporation currently authorizes us to have 50,000,000 shares of common stock. The Board of Directors has approved the resolution and proposes to amend Article FOURTH of our Restated Certificate of Incorporation to increase the authorized common stock to 100,000,000 shares of common stock. Although the Company has no current plans to issue any additional shares of common stock, other than in connection with granting stock options to senior management and directors, we continuously evaluate potential financing, acquisition and other corporate opportunities, some of which may require the issuance of our common stock. This proposal would not affect the validity or status of any currently outstanding shares of common stock. If this proposal is approved by our stockholders, we plan to file with the Secretary of State of the State of Delaware a Certificate of Amendment to our Restated Certificate of Incorporation substantially in the form attached to the proxy statement as Annex A. Of the 50,000,000 currently authorized shares of common stock, as of June 4, 2007, we had 33,489,812 shares of common stock outstanding, 7,420,912 outstanding options to acquire shares of our common stock, and 8,653,115 warrants to acquire shares of our common stock.

The Board of Directors believes that an increase in the number of shares of authorized common stock would benefit us and our stockholders by giving us needed flexibility in our corporate planning in responding to developments in our business, including possible financing and acquisition transactions, common stock splits or dividends and for other general corporate purposes. Having such authorized shares available for issuance in the future would provide us with greater flexibility and, if necessary, allow common stock to be issued in the future without expense or delay.

Unless otherwise required by applicable law or regulation, the shares of common stock to be authorized will be issued without further authorization by vote or consent of the stockholders and on such terms and for such consideration as may be determined by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED CAPITAL STOCK.

# SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following tables set forth certain information regarding the beneficial ownership of SIGA's voting securities as of June 4, 2007 of (i) each person known to SIGA to beneficially own more than 5% of the applicable class of voting securities, (ii) each director and director nominee of SIGA, (iii) each Named Executive Officer and (iv) all directors and executive officers of SIGA as a group. As of June 4, 2007, a total of 33,489,812 shares of Common Stock were outstanding. Each share of Common Stock is entitled to one vote on matters on which holders of Common Stock are eligible to vote. The column entitled "Percentage of Total Voting Stock Outstanding" shows the percentage of total voting stock beneficially owned by each listed party.

The number of shares beneficially owned is determined under rules promulgated by the Securities and Exchange Commission, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and also any shares which the individual has the right to acquire within 60 days of June 4, 2007, through the exercise or conversion of any stock option, convertible security, warrant or other right. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

## Ownership of Common Stock

The following tables set forth certain information regarding the beneficial ownership of SIGA's voting securities as of June 4, 2007 of (i) each person known to SIGA to beneficially own more than 5% of the applicable class of voting securities, (ii) each director and director nominee of SIGA, (iii) each Named Executive Officer, and (iv) all directors and officers of SIGA as a group. As of June 4, 2007, a total of 33,489,812 shares of common stock were outstanding. Each share of common stock is entitled to one vote on matters on which common stockholders are eligible to vote. The column entitled "Percentage of Total Voting Stock" shows the percentage of total voting stock beneficially owned by each listed party.
